

AH VMO: Value Management Office

Expanding on a *strategic* PMO model and capabilities, a **VMO Hub** framework is the next-generation PMO. It brings the overarching focus of aligning the entire organization with a **value-centric** shift, making **value definition and delivery** for the business and customer the unifying thread across the organization. This allows for increased enterprise transparency, agility, innovation, cost reduction, efficiency, adaptability, and sustained market leadership.

Designed to spotlight and catalyze

- enterprise-wide initiatives – beyond projects
- success metrics and optics focused on value realization
- investing in the right things at the right time
- process, communication, and capability management
- agility to adapt to change and pivot with speed
- commitment to excellence and positive impact
- heightened clarity around roles and responsibilities
- continuous insights for improvement
- avoidance of bottlenecks and suboptimal process
- ability to navigate VUCA*
- reusable playbook for continuous transformation

Critical success factors

- 🔗 Effective VMO Leadership and Engagement
- 🔗 Executive Sponsorship
- 🔗 Organizational Alignment and Collaboration
- 🔗 Lean/Agile Mindset and Technique Alignment

*volatility, uncertainty, complexity, ambiguity
